

Work Experience:

March 2004 to Present: Michael Turley Photography
523 Howard Street
Riverton, New Jersey 08077

Michael Turley Photography is a commercial photographic studio specializing in catalog, product, executive portraits, annual reports and location photography. The majority of my work comes from designers, direct clients, and advertising agencies. I personally work with clients to get the best possible photographs for them. The studio shoots with a Phase One Digital Camera back on my Sinar 4x5 or Mamyia 67 cameras.

May 2002 to Jan. 2004: The Franklin Mint
Franklin Center, Pennsylvania 19091

Freelance Photographer for The Franklin Mint. Photographed all types of products that The Franklin Mint produced according to the Art Directors specifications. Diecast planes and cars, porcelian, glass, jewelry, models, hand shots, and room sets.

June 1998 to February 2004: Infinity Photographic Studio
150 C New Jersey Ave
Riverside, New Jersey 08075

I was a partner in Infinity Photographic Studio. I was also the head photographer and responsible for researching new clients, client relations, and most if not all of the daily operations of the business.

June 1992 to June 1998: Joseph Andris Photography Inc.
1147 North 4th Street
Unit 2D
Philadelphia Pennsylvania 19123

Hired as studio manager for Joe. Andris. Duties included scheduling of photo shoots, organization of the studio, client relations, ordering of supplies, and overseeing hired assistants and being a second photographer when needed.

Education:

June 1990 to June 1992: Antonelli Institute
Jolly Rd.
Plymouth Meeting, Pa.

Received an Associates Degree in Photography. I was first in the class with a GPA of 4.0.
